Virtual The Trip
An immersive workout experience combining multi-peak cycling workouts with journeys through digitally-created worlds. Taking motivation and energy output to the next level and burning serious calories.

Virtual RPM
Fun, low impact workouts where you control the intensity. Pumping music motivates you with the group spinning as one and your instructor taking you on a journey of hill climbs, sprints and flat riding.

Virtual Sprint
A 30-minute High-Intensity Interval Training (HIIT) workout to achieve fast results. It's short and intense training where the thrill and motivation comes from pushing your physical and mental limits again and again.
