

Forthcoming Galas

The Swimming Pool at Hutton Moor Leisure Centre was designed as a competition pool as well as a public pool for Weston-super-Mare and the surrounding area. We host various galas throughout the year to support emerging young talent and to supplement the income of the pools. Pools are very expensive to run, so this additional revenue is much needed to help the pool pay for itself.

We apologise for any inconvenience caused and thank all our customers for their co-operation.
